

31 SWIMMERS SELECTED TO JAMAICA'S CARIFTA SQUAD.

The Amateur Swimming Association today announced that thirty of Jamaica top age group swimmers have been selected to Jamaica's CARIFTA Squad. One other overseas-based swimmer has qualified but the name is being withheld until the Association has confirmed that the swimmer meets the eligibility requirements. The final team will be announced after the swimmers have confirmed their participation. The CARIFTA Swimming Championships will be held in Barbados April 12-14, 2002.

Gail Gascoigne and National Swim Coach Jackie Walter have been selected to manage the Team. The Assistant Coach and Medical team are to be confirmed.

The Jamaican based swimmers will start training together at the National Team Training Camp to be held at the National Stadium Pool, March 8-10. National Coaches Jackie Walter and Teddy Hales and a special guest coach, Pete Williams, will lead the Camp. Williams coaches the Mercersburg Academy Swim Team and was the 1967 U.S. National Champion in the 400 IM, a member of 1968 US Olympic Swimming Team.
