## Jamaica Synchronised Swimming and CCCAN 2011 – A new standard

With less than 24 days to go, Jamaica will be sending its first Synchronised Swimming representative to CCCAN 2011 in Puerto Rico, June 25 – July 3. 12 & Under Synchronised Swimmer Breann Campbell has qualified under the new criteria of trials and national training program.

It has been acknowledge that it will not be an easy task but the experience, exposure and education, being at such a meet, will be priceless.

Breann, the sole athlete that weathered the storm, is a strong competitive swimmer, does track and field and has been working extremely hard. She is hoping for favourable scores and placing.

Hot off achieving 3<sup>rd</sup> place at the NHF 5K Fun Run in 34 minutes (10 – 14 age group) she plans to better her time in the Hope Garden's Fun Run later this month. While the honour of representing Jamaica is wonderful, it is somewhat bittersweet for the 12 year old who just sat GSAT, as she will be missing her School Leaving Ceremony to do so.

Under the guidance, creativity and vision of the National Coach, Carrie Reynolds, she is working extremely hard to prove to Jamaica the possibilities of this dynamic sport.
